**SALES & INSTALLATION OF TERMINAL OR
OTHER EQUIPMENT LICENCE**

INST-M/079/26

Granted to

**PRIMETRACK TELEMATICS
NIGERIA LIMITED**

by

NIGERIAN COMMUNICATIONS COMMISSION

Under Section 32 of the Nigerian Communications Act, 2003

THIS LICENCE is issued by the Nigerian Communications Commission (hereinafter referred to as “**the Commission**”) under Section 32 of the Nigerian Communications Act, 2003 (hereinafter referred to as “**the Act**”) to **PRIMETRACK TELEMATICS NIGERIA LIMITED** (hereinafter referred to as “**the Licensee**”) for **SALES & INSTALLATION OF TERMINAL OR OTHER EQUIPMENT** as set out below:

1. COMPLIANCE WITH THE ACT AND REGULATIONS

The Licensee shall comply with the provisions of the Act and Regulations made pursuant to same as well as any Direction, Determination or Order made by the Commission thereunder.

2. DURATION

This Licence shall enter into force on the **01, November 2026** and shall be of Five (5) years duration subject to renewal upon such terms and conditions as may be applicable.

3. FEES

In consideration for granting the Licensee the right to operate and provide the service, the Licensee shall pay to the Commission:

- (a) The Licence Fee; and
- (b) An Annual Operating Levy which shall be assessed at **one percent (1%)** of the Licensee's Net Revenue for the relevant period being its Gross Revenue less such Costs as may be stipulated in the AOL Regulations.
- (c) The most recent Audited Account or where this is not available, the Management Account or any other account or projection of the Licensee's operations will be admitted for the purpose of calculating the net revenue for the year under consideration and may be duly adjusted when the year's audited account becomes available.

- (d) The Commission shall determine the Licence fee payable for and in respect of any renewal of the Licence.

4. SCOPE OF OPERATION

This Licence shall be for Sales and Installation of Telecommunications terminals and major network and switching equipment including PABX's, Telephone Exchanges, INMARSAT, VSAT and Trunked Radio terminal. This Licence shall also be valid for the sale and provision of telecommunications components and accessories used or intended for use in the installation of the above mentioned terminals.

5. TECHNICAL STANDARDS

The Licensee shall comply with any technical standards specified or approved by the Commission and shall not alter same except with the prior written approval of the Commission.

6. APPROVAL OF EQUIPMENT

The Licensee shall ensure that all equipment is Type Approved by the Commission or a body approved by or accredited to the Commission before providing services in relation to such equipment.

7. DUTY TO FURNISH INFORMATION TO THE COMMISSION

The Licensee shall furnish the Commission in such manner and at such times as it may request, with such documents, accounts, estimates, returns, reports or other information which it may require for the purpose of exercising its functions.

8. LIMITATIONS

- 8.1 The Licence shall not be transferable except with the prior written approval of the Commission.
- 8.2 The Licensee shall not carry out installation of other equipment except such as is authorised by this Licence.

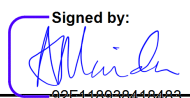

9. REVOCATION

The Commission may at any time after giving the Licensee one month notice to that effect, revoke this Licence if any of the following events occurs:

- (a) If the Licensee is in breach of any of the Conditions attached to this Licence and such breach has not been rectified within 14 days after the Commission has notified the Licensee of same;
- (b) If the Licensee requests the Commission in writing to revoke this Licence;
- (c) If the Licensee ceases to carry on the activity for which this Licence is granted;
- (d) If the Type Approval Certification for the Licensee's equipment lapses or is revoked;
- (e) If the Licensee fails to duly pay any Charges imposed by the Commission;
- (f) If the Licensee is unable to pay its debts, enters into liquidation or is otherwise declared insolvent.

10. RENEWAL

- 10.1 This Licence shall be automatically renewed and remain valid for a further period of Five (5) Years subject to the provisions of 10.2 and unless the Licensee has given a written notice to the Commission, at least Twelve (12) Months before expiry date shown on the Licence Certificate not to renew the Licence.
- 10.2 In order for this Licence to be automatically renewed as provided in 10.1 the Licensee shall have agreed and paid all the new Licence fees and charges due within the Six (6) Months preceding the first expiry date.
